

I am writing to ask you to intervene in Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election.

Because Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest, this is an abuse of their license.

Sinclair's actions clearly demonstrate why we need to strengthen media ownership rules, not weaken them. Please keep our democracy in tact and prevent this type of blatant propaganda before an election. Thank you.
